Privacy Policy of iSpirometry for Android

**Policy summary**
The iSpirometry app (“the app”) collects temporarily some Personal Data from its Users. This privacy policy covers what data we collect, how we collect, store and and use it. It also covers how the data can be shared with third parts.

**Full policy**

**Personal data collected**
Requested to the user: Name, Date of Birth, Gender, Origin, Height and Weight.
Measured by the app: FVC, FEV1, FEV6, FEV1/FVC, FEF2575, PEF.

**Why we request personal data**
The personal data is requested to the user by this Application in order to provide its services. The App will not work without the personal data specifically requested to perform spirometry test.

**Data Controller and Owner**
Users are the owners and they are unique responsible for any Personal Data requested or provided (measured) by this Application.

**Mode and place of processing the Data**

**Methods of processing**
The Data is processed in a proper manner and the app shall take appropriate security measures to prevent involuntary modification or destruction of the Data.
The Data processing is carried out using the device where the iSpirometry app is installed.

**Place**
The Data is processed in the personal device where the iSpirometry app is installed.

**Retention time**
The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document. The user it’s able to delete all data.

**The use of the collected Data**
The Data concerning the User is collected to allow the iSpirometry app to provide its services

**Detailed information on the processing of Personal Data**
- Calculate predicted values of FVC, FEV1, FEV6, FEV1/FVC, FEF2575, PEF to be compared with their measured values

**The sharing of the collected Data**
The personal data collected by the app iSpirometry can be shared only under the user’s consent by sending the results of the measurement via the sharing tools available on the smartphone.
Result sharing
The user can share (as an attached pdf file) the results of the measurements.
The user exclusively decides the recipient of the sharing.

Definitions and legal references

*Personal Data (or Data)*
Any information regarding a natural person, a legal person, an institution or an association,
which is, or can be, identified, even indirectly, by reference to any other information, including a
personal identification number.

*User*
The individual using this app, which must coincide with or be authorized by the Data Subject, to
whom the Personal Data refer.

*Data Subject*
The legal or natural person to whom the Personal Data refers.

*Data Processor (or Data Supervisor)*
The natural person, legal person, public administration or any other body, association or
organization authorized by the Data Controller to process the Personal Data in compliance with
this privacy policy.

*Data Controller (or Owner)*
The natural person, legal person, public administration or any other body, association or
organization with the right, also jointly with another Data Controller, to make decisions regarding
the purposes, and the methods of processing of Personal Data and the means used, including
the security measures concerning the operation and use of this Application. The Data Controller,
unless otherwise specified, is the Owner of this Application.

*The App*
The hardware or software tool by which the Personal Data of the User is collected.
